Additional Data. This temple of the Odd Fellows is located on Front Street at the intersection with Vine Street in the city of Mineral Point, Wisconsin. It was built by that organization for its own use and purposes in 1835.

The building is constructed entirely of wood and is in a splendid state of preservation today (1935). It has a long and interesting historic background, having been the scene of many notable gatherings of the Society, with guests of national and international note. The building is used today by the same organization.
